

Levitation Illusion \$2000.00

A person from the audience OR your assistant is suspended and levitates upwards into the air. A hoop is passed over the person. She floats back down.

Base for support with wheels.
Hydraulic Bar.
S Shaped Bar for Hoop (very deceptive).
Board with a nesting (person shaped) board.
Cloth to wrap person.
Two Stands for board.
Hydraulic Unit in a case with long hose.
Not loud, very easy to cover with background music.
Best with 100 to 170 pounds, but holds 200 pounds for real.
Very good shape, easy to maintain, well cared for, and used only occasionally for corporate events.
Has been (and can be again) modified for magic carpet and truck tire levitation.
